(showing point of discharge, location of all buildings, highways and communications lines, audience restraint lines, location of trees, telegraph or telephone lines or other overhead obstructions): Attached hereto

H. City of Troy is named as additional co-insured on sponsoring body's liability insurance policy for combined bodily injury and property damage coverage of \$500,000 each occurrence and aggregate.

PERMIT ISSUED ACCORDING TO FOLLOWING PROVISIONS:

I. Point of firing must be at least two hundred feet (200') from permanent buildings, public highways which are open for travel, railroad lines or other means of travel open for public use and at least fifty (50) feet from nearest above ground telephone or telegraph line, tree or other obstruction.

2. Audience shall be restrained at least one hundred and fifty (150) feet from firing point.
3. Only persons actively engaged in firing shall be allowed inside firing area.
4. All discharges shall be as vertical in direction as possible.
5. Unfired fireworks remaining after display has ended shall be disposed of in a safe manner.
6. No display shall be held if wind velocity exceeds thirty (30) miles per hour.
7. Persons listed in D above shall be over the age of eighteen (18) years and there shall be at least two (2) persons operating the display at all times.
8. Two (2) soda acid fire extinguishers of at least two and one-half (2 ½) gallons capacity each shall be available on the firing site. They shall be placed as far apart as possible.
